WHAT NEXT FOR YOUR STUDENTS?

YES Global

Youth ECHO StartUp

Build a startup with AI as your 7th teammate — and let your voice echo around the world.

For middle and high school students · Real startup. Real investors.

AI is your 7th team member

Students learn to use AI critically and responsibly, with TASK+PR prompting and PIQ feedback. Aligned with UNESCO's AI competency framework for students.

From idea to investor pitch

Students build an MVP and pitch it to real investors at Public ECHO Day.

Coaches and mentors from the startup world

Startup founders coach every team, and CEOs of TIPS (Tech Incubator Program for Startup) startups mentor them. TIPS is administered by the Korea Business Angels Association.

International certificate

Earn a certificate recognized by PEN Worldwide and the EU Lifelong Learning Programme.

From first idea to real product

Cohort 1: YES Global Basics (steps 1–2)
