COACHING STRAND		PROJECT APPLICATION
AI in the workplace	→	Create responsibly. Use AI to brainstorm, draft and refine inclusive marketing content.
EPOCH awareness	→	Design with people in mind. Empathy, Presence, Opinion, Creativity and Hope inform your choices.
Leadership workshops	→	Lead through real tasks. Practise communication, decision-making and team responsibility.
Intercultural dialogues	→	Collaborate across difference. Explore Filipino heritage respectfully and consider others' perspectives.

Meet Joanne Valdez.
